STAT

SUBJECT: Complete Bill Setting Out Administration Position,  
Intelligence Charters Legislation

Attached is a complete bill containing all Titles of the Administration's position on S. 2525. Title I is unchanged. Title II is the draft as amended by the working group at its last meeting minus the final section on remedies which will be added after the current round of comments and approval. Title III is the amendment of FISA to include domestic physical search. Titles IV, V and VI contain some amendments worked out with the staff of the Senate committee.

Any changes or corrections should be given to General Thomas, 694-4660.

Deanne C. Siemer

Enclosure
